

## ERRATUM

# Erratum: Percutaneous CT Guided Ablation in the Hepatic Dome: Artificially Induced Pneumothorax for Safe Transpleural Access

In the article titled, "Percutaneous CT Guided Ablation in the Hepatic Dome: Artificially Induced Pneumothorax for Safe Transpleural Access" published in page 63, issue 4, vol. 5 of Journal of Clinical Imaging Science,<sup>[1]</sup> the name of the second author is written incorrectly as "Rafael Dahmer Rochal" instead of "Rafael Dahmer Rocha".

In the "How to cite this article" section the name of the second author is written incorrectly as "Rochal RD" instead of "Rocha RD".

These have now been corrected and reposted online.
